BEFORE THE STATE ENGINEER OF THE STATE OF UTAH

RE: Illegal use of water in excess of right)
Scott Williams)
Water Right No(s). 71-512)

ORDER OF THE
STATE ENGINEER

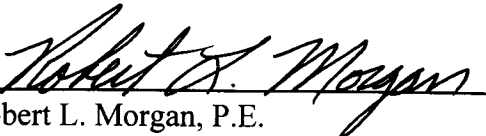

According to Utah Code Ann. section 73-3-1, no appropriation of water may be made and no rights to the use of water may be initiated without an application approved by the State Engineer. Water Right No(s). 71-512 allows the irrigation of 62.50 acres with limitation on annual use of 250 acre feet of water. A comparison of aerial photography taken in mid-June 1997 with the updated water rights map shows that you are irrigating 9.25 acres more than allowed by Water Right No(s) 71-512. The attached map shows the location of the illegally irrigated land.

NOW THEREFORE, according to Utah Code Ann. sections 73-2-1 and 73-5-3, you are hereby **ORDERED to cease the use of all water in excess of the uses and limits set forth in Water Right No(s). 71-512.**

If you use water in violation of this ORDER, you will be in jeopardy of legal proceedings against you. Legal proceedings will be commenced as Division resources allow.

I strongly urge you to give this matter your immediate attention. Should you have questions regarding this ORDER, please contact Kerry Carpenter, Regional Engineer, at 586-4231 or Lee Sim, Assistant State Engineer, at 538-7380.

Dated this 14th day of October, 1997

Robert L. Morgan, P.E.
State Engineer
